Dear Friends and Colleagues,

We would like to invite you to the **2019 Singapore Congress of Radiology (SGCR) and Workshops in Interventional Radiology Education Singapore (WIRES)**, which will be held in conjunction with the **19th Congress of the ASEAN Association of Radiology (AAR 2019)**.

The congress theme is “Image. Intervene. Innovate”, with a primary focus on oncologic imaging and therapy. We will also feature major tracks on neuroradiology, head and neck imaging as well as the fast evolving fields of imaging informatics and artificial and machine intelligence.

The conference will run from 15-17 August 2019 at the Raffles City Convention Center, Singapore, and will bring together specialists in the field of radiology from ASEAN and beyond to exchange ideas, enhance knowledge and present new research.

For more information, please visit our website at www.sgcr.sg.

Please do note that the Singapore Radiological Society and College of Radiologists, Singapore are **not** collaborating, supporting or providing input into the Radiology Asia Conference from 2019 onwards.

We look forward to your support and partnership.

Thank You and Best Regards

Dr Andrew Tan
President
Singapore Radiological Society

Dr Ian Tsou
President
College of Radiologists, Singapore
